

Aesculap Neurosurgery Suction Cannulas

FUKUSHIMA-Design

... classical Suction Cannulas for Neurosurgery

Suction Cannulas Fukushima Design

Two different sizes of tear drop shaped thumb control provide improved control of the suction rate.

Small tear drop shape for French-sizes 3, 4, 5, 6, 7

Large tear drop shape for French-sizes 8, 9, 12

Large, clear labeling of outer diameter and length on the thumb control for easy and fast identification.

- Tear drop shaped thumb control for a very precise suction regulation
- Malleable material for individual forming of the suction hose
- Conical design of the tube prevents plugging
- Comprehensive product program: 4 length and 8 diameters from 3 to 12 French
- Delivered with stylet

Atraumatic shape of the distal tip
