The background of the entire page is an abstract, high-tech illustration. It features a dense field of spheres in various colors, including red, white, and dark blue. These spheres are interconnected by a network of thin, glowing lines that resemble light rays or data connections. The overall color palette is dominated by cool blues and purples, with the spheres providing points of contrast in red and white. The lighting is dramatic, with bright highlights on the spheres and a sense of depth and movement.
